Collection of Tolls Amani by the Municipalities in the State

Issues instructions directing the

OFFICIAL MEMORANDUM

ORDER No L 6761 71—ML 131 39 3 DATED BANGALORE THE 1ST FEBRUARY 1940

At the Budget Session of the Representative Assembly in June 1939 a suggestion was made that the system of collecting tolls in Municipalities by leasing out the right in auction might be done away with as it has been a source of trouble and harassment to the public and that the collection might be recommended to be done amani by the Municipal Councils concerned The position has since been examined with reference to the practice prevailing in the several Town and Minor Municipalities where the levy of toll is in force Government observe that disposal of this right by auction is liable to abuse and has been abused and that it will be to the convenience of the public if the collection is done departmentally through the municipal agency The services of the octroi establishment might be made use of for collecting the tolls if possible Articles liable to octroi can also be subjected to close and effective check at the cookads and this will ensure better collections under octroi Having regard to these facts the Deputy Commissioners of Districts are requested to advise the Municipal Councils which are levying tolls to adopt the system of collection by departmental agency with effect from next year
